# TSSEA RECOVERY RATES

TO-164-180-662

Registered January 26th 2024

Recovery Services are specialized services, including the use of extraction devices, winches and skilled personnel, that are required to relocate or reposition a motor vehicle to prepare it for towing but do not include the use of standard towing equipment in respect of an upright motor vehicle that is located in a parking lot or on private property, on a roadway, shoulder, or location where it can be returned to a roadway or shoulder by using standard towing equipment or a winch, if the distance that the motor vehicle is required to be moved by the winch is less than five meters. Billing starts at dispatch time and ends when job complete, including standby time.
